Abbot Hubler

Corvallis, Oregon | 971-201-1605 | AbbotHuble@gmail.com

PROFESSIONAL SUMMARY

I am a College student with a strong foundation in mathematics, statistical analysis, and problem-solving, with an interest in developing skills relevant to data science. Experienced in customer service, teamwork, and communication through several years of employment. Eager to apply analytical thinking, attention to detail, and a willingness to learn in a professional environment.
